Built-in Benefits

Extreme Disability Benefit

If the insured is diagnosed with an extreme disability and remains in that state for a continuous period of 6 months, they will become eligible to receive up to 50% of the sum insured in advance (25% for decreasing term coverage), to a maximum of \$250,000.

Insurability Benefit

Increase insurance coverage by an extra 25% (up to \$125,000) before age 60 when obtaining a new loan, increasing an existing loan, or following a life event, all without providing new evidence of insurability.

Term Exchange Option

Extend the length of your term coverage after the first month after issue and before the 7th coverage anniversary of the original term, without providing new evidence of insurability.

Transportation Benefit

If the death occurs more than 200 km from the insured's primary residence, an additional amount of up to \$2,000 will be payable to cover the expense of transporting the remains to the primary residence (payable only after the 2nd anniversary of the policy or rider, as applicable).

*Built-in benefits vary by product.
